

## Description of the Milwaukee County Dispatcher Assisted Bystander CPR program

Prior to this program, only three of the thirteen municipalities within Milwaukee County provided CPR instructions when a bystander called 9-1-1 for an individual in cardiac arrest. With the development of Milwaukee County Dispatcher Assisted Bystander CPR program, 9-1-1 calls involving cardiac arrest are being transferred from the municipality of the arrest to the centralized Milwaukee County EMS Communication Center. The communicators at this center will then provide CPR instructions to the caller.

| <b>Participating Milwaukee County Municipalities</b>  |
|---|
| Cudahy  |
| Franklin  |
| Greendale   |
| Greenfield* (will provide CPR instructions at PSAP)   |
| Hales Corners   |
| North Shore   |
| South Milwaukee   |
| St. Francis   |
| Wauwatosa   |
| <b>Milwaukee County Municipalities that provided CPR instructions prior to this program</b> |
| Milwaukee   |
| Oak Creek   |
| West Allis  |
