Site 5:	13 miles	
Site 6:		

**Instructions:**

-Academic Year should be July-June and stated as 2023-2024, etc.

-Fill out the Academic Year, Program Name, and Program ID Number at the top of the form. At the bottom of the form, under Clinical Sites, indicate the participating clinical sites, the site's distance from the primary site, and the site director. Add rows as needed for additional sites

-Use as many of the columns as needed to convey the number of rotations per year, deleting any unused columns. (e.g., use six columns if there are six two-month rotations. Institutions with 13 four-week blocks should use all columns, while institutions with 12 month-long blocks should delete the 13th column and indicate the approximate number of weeks for each rotation.)

-Indicate the length of each rotation in weeks in the "Rotation Duration" row.
