#### **Great Value! Better Service!**

As a locally owned and family-operated pharmacy with 5 locations in Kenosha and Racine, we are proud to offer excellent service with a personal touch. Our staff and pharmacists know that nothing is more important than our patients and their family's well-being. That's why at Good Value we take the time to get to know our customers and are always ready to answer any health questions.

Through a variety of programs unique to Good Value, we offer the kind of individual, detailed service patients need from a pharmacy. Our long-term care program, retail products, packaged prescriptions and free delivery service are just a few of the ways we show our dedication to our patients' health.
